

WEBSITE BRIEF — WEAR LABEL

1. Overview

Wear Label adalah Indonesian women's fashion brand yang menyediakan:

1. **Ready-to-Wear / B2C**

Produk fashion wanita seperti pants, tops, cardigan, outerwear, dan koleksi lainnya.

2. **Custom Apparel / B2B**

Layanan pembuatan custom apparel untuk perusahaan, rumah sakit, organisasi, komunitas, event, dan institusi.

Website harus tetap memiliki image utama sebagai **modern fashion brand**, tetapi pengunjung juga harus langsung mengetahui bahwa Wear Label menerima **custom uniform, merchandise, dan custom apparel production**.

2. Main Website Objective

Website memiliki dua tujuan utama:

B2C

- Menampilkan brand dan koleksi Wear Label secara lebih profesional.
- Customer dapat melihat produk dan melakukan pembelian.
- Menjadi official website Wear Label selain marketplace.
- Meningkatkan brand credibility.

B2B / Custom

- Memperkenalkan layanan custom apparel Wear Label.
- Membantu calon client memahami jenis layanan yang tersedia.
- Menampilkan selected projects yang pernah dikerjakan.
- Mempermudah calon client melakukan inquiry atau meminta quotation.

3. Website Positioning

Overall impression tetap:

Modern Women's Fashion Brand

Namun dari halaman pertama, customer harus mengetahui bahwa Wear Label juga menyediakan:

Custom Uniform • Corporate Apparel • Merchandise

Jadi positioning-nya:

Wear Label — Ready-to-Wear & Custom Apparel

4. Target Audience

B2C

Women approximately 18–35 years old yang mencari fashion yang:

- Comfortable
- Minimal
- Feminine
- Modern
- Easy to style
- Versatile
- Modest-friendly

B2B / Custom

Potential clients:

- Companies
- Hospitals
- Organizations
- Universities / Schools
- Communities
- Event organizers
- Institutions

Yang membutuhkan:

- Custom uniforms
- Corporate apparel
- Merchandise
- Event apparel
- Community / organization apparel

5. Main Navigation

Navigation yang diinginkan:

Home | Shop | Collections | Custom & Business | About | Contact

Di sisi kanan:

Search | Account | Cart

Menu **Custom & Business** harus cukup terlihat agar corporate customer langsung mengetahui bahwa Wear Label menerima custom production.

6. Homepage Structure

Section 1 — Hero Banner

Homepage pertama kali tetap menampilkan image / campaign Wear Label sebagai fashion brand.

Contoh:

Everyday Pieces, Made for You.

Comfortable and versatile pieces designed for everyday life.

CTA utama:

SHOP COLLECTION

CTA kedua:

CUSTOM APPAREL

Tujuannya supaya sejak first screen user sudah tahu Wear Label memiliki dua layanan.

Section 2 — Shop / Best Sellers

Menampilkan beberapa produk utama Wear Label.

Misalnya:

- Pants
- Tops
- Cardigans
- Outerwear

atau selected best-selling products.

CTA:

SHOP ALL

Section 3 — Shop by Category

Contoh:

Pants

Tops

Outerwear

New Arrivals

Menggunakan foto yang clean dan fashion-oriented.

7. Custom & Business Section on Homepage

Setelah product section, tampilkan section B2B yang cukup noticeable.

Headline:

Wear Label Custom

Subheadline:

Custom apparel for companies, organizations & communities.

Description:

From uniforms to merchandise, Wear Label provides custom apparel production tailored to your team, organization, and brand.

Service preview:

Custom Uniform

Corporate Apparel

Merchandise & Community Apparel

CTA:

EXPLORE CUSTOM SERVICES

Secondary CTA:

REQUEST A QUOTE

Visual menggunakan foto actual project Wear Label.

8. Selected Projects

Karena portfolio B2B Wear Label masih berkembang, **tidak perlu dibuat seolah-olah memiliki sangat banyak corporate clients.**

Gunakan heading:

Selected Projects

Menampilkan beberapa project terbaik yang memang pernah dikerjakan Wear Label.

Setiap project dapat berisi:

- Client / organization name
- Product category
- Project photos
- Short description

Fokus pada kualitas visual project, bukan banyaknya jumlah client.

9. Custom & Business Page

Jika customer klik **Custom & Business**, masuk ke dedicated B2B landing page.

Struktur:

1. Hero

Custom Apparel for Your Team & Brand

Uniforms, merchandise, and apparel tailored to your organization.

CTA:

REQUEST A QUOTE

2. Services

Custom Uniform

Uniform untuk company, hospital, institution, dan team.

Corporate Apparel

Custom apparel untuk kebutuhan corporate dan organization.

Merchandise

T-shirt, apparel, dan merchandise untuk event, campaign, community, dan organization.

3. Selected Projects

Menampilkan portfolio/project terbaik Wear Label.

Tidak perlu menggunakan wording seperti:

“Trusted by hundreds of companies”

apabila belum sesuai dengan kondisi Wear Label.

Lebih baik menggunakan:

Selected Projects

atau

Projects We've Worked On

4. How It Works

Simple process:

01 — Consultation

Client menyampaikan kebutuhan.

02 — Product & Specification

Menentukan model, material, warna, ukuran, branding, dan detail produk.

03 — Quotation

Wear Label memberikan harga berdasarkan specification dan quantity.

04 — Production

Sample / approval dan proses produksi.

05 — Delivery

Produk selesai dan dikirim kepada client.

5. Why Wear Label

Contoh value:

Fashion Experience

Wear Label telah mengembangkan dan menjual fashion products sejak 2020.

Flexible Customization

Produk dapat disesuaikan dengan kebutuhan client.

Product & Fit Understanding

Memiliki pengalaman dalam pengembangan apparel, material, cutting, dan fit.

End-to-End Process

Consultation hingga production dan delivery.

6. Request a Quote

Form berisi:

11. Product Detail Page

Setiap produk memiliki:

- Product images
- Product name
- Price
- Description
- Material
- Available colors
- Available sizes
- Size chart
- Fit information
- Care instructions

CTA:

ADD TO CART

BUY NOW

12. Cart & Checkout

Basic flow:

Product → Cart → Checkout → Payment → Order Confirmation

Checkout berisi:

- Customer information
- Shipping address
- Shipping option
- Shipping cost
- Payment
- Order summary

Diharapkan dapat terintegrasi dengan:

- Payment gateway Indonesia
- Shipping / logistic rate
- Order notification

13. About Wear Label

About page dibuat singkat dan visual.

Isi utama:

- Wear Label founded in 2020.
- Indonesian women's fashion brand.
- Fokus pada comfortable, versatile, dan wearable fashion.
- Selain ready-to-wear, Wear Label juga menyediakan custom apparel production.

About page tidak perlu terlalu corporate.

14. Design Direction

Overall visual:

- Modern
- Feminine
- Minimal
- Clean
- Premium but approachable
- Timeless
- Fashion-forward
- Neutral

Color direction:

- Warm white
- Cream
- Beige
- Light grey
- Black / dark typography

Style:

- Large fashion photography
- Plenty of white space
- Clean typography
- Minimal icons
- Editorial fashion look
- Tidak terlalu ramai
- Tidak terlihat seperti marketplace
- Tidak terlihat seperti website konveksi

Reference feel:

Modern fashion e-commerce with an editorial look.

15. Admin / Backend

Admin Wear Label minimal dapat:

Product Management

- Add / edit product
- Price
- Stock
- Size
- Color
- Images
- Description

Order Management

- View orders
- Payment status
- Shipping status

Website Content

- Change homepage banner
- Add / remove products
- Edit collection
- Update B2B portfolio / selected projects

B2B Inquiry

- View incoming inquiries
- Customer / company name
- Contact
- Requested product
- Quantity
- Project detail

Idealnya content dapat di-update sendiri oleh Wear Label tanpa harus meminta developer untuk perubahan kecil.

16. Customer Journey

B2C

Homepage → Shop → Product → Cart → Checkout → Payment

B2B

Homepage → Custom & Business → Services → Selected Projects → Request a Quote → Follow-up by Wear Label

B2B tidak menggunakan ecommerce checkout. -> langsung ke WA
